From the Deputy Comm. Mysore 84
M. No. 491 & 16925

Recommends under the circumstances
noted, sanction to the resolution of the
Municipal Council of Chamarajawara
appertaining to the amendment to the Toll
Rule IV for establishing additional
Toll gates for the collection of Tolls on
animals and carts passing into the
Municipal limits of the Town.

In the representation to the
Sd/- Dy Comm. Mysore, Toll Committee
of the Chamarajawara Town M.C. for
1925-26, the Deputy Comm. Mysore 84 has
expressed by words see that the said
Municipal Council would consider the question
of establishing additional Toll gates
in necessary places and propose
suitable amendments to the Rules.

The reasons for the proposed
amendment are fully set forth in the
Deputy Comm's letter under disposal.

Draft G.O. sanctioning
the amendment is put up for order

TO

P J. S. Esq Bar-at-Law,
Secretary to the Government of His Highness

SIR

I have the honor to state that in order to improve the efficiency of the Chamara Nagar Town Municipal Council Bye-laws for opening Toll Gates for collection of tolls on carts and animals were introduced by the said Municipal Council and the same were duly sanctioned by Government in their order S 12/ 155-21-49 dated 5-12-1921. The tolls were opened from the year 1922-23 and are in existence.

2 Besides the five roads leading to Chamara Nagar Town which toll-gates are now opened as per sanctioned bye-laws there are five more roads of less importance which run parallel to the margin by which people have access to the Town from outside. One Revanna who purchased the right of collecting tolls for 1924-5 complained to the Municipal Council that people are taking carts and animals into the town by these other roads without payment of toll and that consequently he was put to heavy loss. On this complaint of the Contractor the Council at its meeting held on 17th November 1924 resolved that the Government might be moved to accord sanction to the revised bye-laws framed for the opening of additional toll gates on these five roads also. The revised bye-laws are enclosed in duplicate.

3 A notice calling for objections against the introduction of these bye-laws was circulated among the inhabitants of the place. In response a petition signed by a

by a number of people objecting to the introduction of the bye-laws was presented to the Council on 30-5-1925 on the ground that they would thereby be hindered from taking manure carts etc for the purpose of cultivation of lands lying outside the Municipal limits This petition was placed at the meeting of the council held on 6th July 1925 and it was resolved that as the private carts of the inhabitants of the town are numbered and exempted from payment of toll the objection of the petitioners are not reasonable and that the bye-laws might be sent up for sanction

(vi) 4 The right to collect toll is being sold year after year by public auction and the realisations so far made for the last 3 years are as follows -

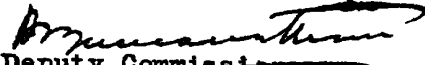

1922-23	-	Rs 9060
1923-24	-	" 7200
1924-25	-	" 5700

It may thus be seen that the income from this source is falling down year by year and the main cause is reported to be due to the fact explained in para 2 above

(vii) 5 Under these circumstances I recommend that the revised bye-laws as framed by the Council may kindly be sanctioned

6 The notice calling for objections the petition of the inhabitants and the resolutions of the Council are also enclosed

I have the honor to be
Sir
Your most obedient servant
